

**Leadville Field Symposium**  
**Friday through Sunday, August 24-26, 2007, in Leadville**

Friends of Mineralogy Colorado Chapter will hold a Field Symposium in Leadville, Colorado on the mines, minerals, mining, preservation, and history of the Leadville Mining District. The Symposium will complement the September 2007 Denver Gem and Mineral Show theme, which is Minerals of Leadville. We are planning talks at the National Mining Hall of Fame and Museum in Leadville and tours of the Climax Mine, the Museum, and other mines and mineral localities around Leadville. Ed Raines will give a tour with collecting opportunities, Museum director Sam McGeorge will speak, and we are lining up other high caliber speakers for a full weekend. Symposium events will start Friday evening and last into Sunday afternoon. Pre-Symposium historical tour(s) and activities will be arranged for those who are interested.

If you would like to attend this event, please fill out and mail in the registration form on the next to last page of this newsletter, along with a check for \$20.00 per participant (no cash or credit card), to the FMCC address on the form. Because of logistics on field trips, etc., the number of symposium participants may be limited to the first 75 registrants. If there are limits, the cutoff will be determined by the postmark date on your registration envelope. This registration form and check will pay for all official events. FMCC is not handling lodging, transportation, or meals. However, a box lunch is included with the Sunday tour, and there will be a Saturday night symposium dinner with speaker for which we will obtain a head count and money at a later date.

A list of lodgings and contact information in the Leadville area is given elsewhere in this newsletter. We have arranged group rates with some of the hotels as indicated, and we ask that you contact the hotels directly and mention to them that you are attending the Symposium. We encourage you to make lodging reservations early. Leadville, which is at 10,000 ft elevation, is a popular place during the summer, and some group rates expire as indicated in said list.

Please notify your mineral-philic friends in Denver area clubs about the Symposium. Our May issue of this newsletter will contain additional information and a schedule of events.

**Registration Form**  
**Leadville Field Symposium, August 24-26, 2007, in Leadville, Colorado**

Last Name \_\_\_\_\_ First Name \_\_\_\_\_

Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Email \_\_\_\_\_ Phone \_\_\_\_\_

Include a check for \$20.00 per person, payable to *Friends of Mineralogy Colorado Chapter*.

This registration will entitle you to participate in all symposium meetings, tours, and field trips, and a box lunch for the field trip on Sunday, August 26.

The number of symposium registrants may be limited to the first 75, determined by postmark date on your registration envelope.

Please make your own lodging arrangements; this form will not reserve a hotel.

Meals are not included in the symposium other than the box lunch mentioned above.

The Symposium will have a Saturday night dinner including speaker at the Leadville Museum. A separate head count and money will be taken later for that item.

Send this form plus check to: **FMCC, P.O. Box 5276, Golden, CO 80401-5276.**
