Friends of Mineralogy Membership Guide

Dedicated to the interest in minerals,
mineral collecting and mineralogy.

History & Mission

Founded in 1970 in Tucson, AZ

A non-profit organization, FM's objective is to promote, support, protect and expand the collection of mineral specimens and to further the recognition of the scientific, economic and aesthetic value of minerals and collecting mineral specimens.

FM's first project in 1970 was to help establish *THE MINERALOGICAL RECORD*, an award-winning periodical and association that continues to this date.

Affiliations

Friends of Mineralogy is affiliated with several leading organizations and publications that support our mission. Affiliated members include:

- Mindat.org
- *Rocks & Minerals*
- Mineralogical Association of Canada
- The American Geosciences Institute
- *The Mineralogical Record*
- The Mineralogical Society of America

Support & Sponsorship

- Supports mineral museums
- Co-sponsors annual Tucson gem & mineral symposium
- Supports FM sponsored and non-sponsored mineral symposia and public education

Field Collecting & Studies

- Chapter-sponsored mineral collecting field-trips

Awards

- Awards for best educational exhibits at the Tucson and Denver mineral shows
- Author awards & donations to leading mineral periodicals for best articles of the year

Publications

- Publishes a National quarterly newsletter.
- Chapters publish more frequent communications & newsletters for their members
